

# Intercessors of the Lamb, Inc.

*Dear Bellwether friends, family and companions of the Lamb,*

*May the peace and joy of the Lamb of God and His mother Mary be with you!*

*As we continue on our journey into 2016 and reflect on His blessings, we can't help but remember all of the blessings we experience through each of you, our extended Bellwether family and Community of Believers!*

*The Holy Spirit and Our Lady recently inspired us to do an intercessory rosary at our weekly community gathering at Our Lady of Light chapel. We understood the need for more intercessors willing to live the contemplative spirituality and intercessory lifestyle. We continue to provide spiritual direction, private directed retreats, ongoing communal intercession, and sponsor days of recollection as well as our Annual Workshop of Intercessory Prayer and Spiritual Warfare, (2016 will mark our 22nd Workshop!) to respond to Mother Mary's intentions.*

*But we cannot provide this ministry without your support and feel the Holy Spirit prompting us to once again reach out and ask if each of you would give prayerful consideration to participate in a monthly pledge for this year or to renew your pledge so faithfully given in the past. As many of you are aware, through God's Providence, we have been able to sell most of the off campus houses, but, please know that we still greatly need your assistance with our remaining mortgages, operating expenses which include maintenance, repairs and insurance, as well as providing the general living expenses of the Bellwether Lambs. Can you help us to continue to close our monthly expense gap and continue to pay off all of our debt? If each of us contributes, whatever amount He shows you, perhaps a contribution of \$10, \$25, \$100, or more, according to your means, we can reach this goal as well as continue to provide our ministry on donation basis only.*

*We are grateful for your financial help in any amount as we continue to depend on your faith filled generosity.*

*Thank you all again for your support and please know that we keep all of you in our continuous prayers!*

*Prayerfully in the Lamb,*

*Diana and the Bellwether Lambs*
