

[Novena to Our Lady of the Holy Rosary](#)

O Queen of the Holy Rosary, Mediatrix of All Grace and Model of All Virtues, mercifully hear the prayers which we present to you from this valley of tears! Cast your eyes of mercy and love upon the United States of America that seeks to replace God with man; virtue with vice, and grace with all that is unholy.

Our Lady of Light, protect America and the November 3rd elections in the battle against flesh and blood, principalities and powers, and rulers of the world of this present darkness (Ephesians 6:12).

Our Lady of Victory, stand by America in this fight against the devil, the world and the flesh, and intercede for America to be victorious in upholding the Truth and the sacredness of Life!

O Queen of the Holy Rosary, you who helped so many souls to become saints in the midst of the most brazen sinfulness, help us too, to both grow in grace and virtue, and to fix our eyes always upon your Son, Jesus, the Lamb of God, Who takes away the sin of the world (Jn 1:29)!

St. Joseph, pray for us!

St. Michael the Archangel and the holy warrior angels, do battle for us!

Queen of the Holy Rosary, and all the communion of saints, pray for us!

Suggestion: Pray the Rosary or meditate on a mystery of the Rosary.
