

Thursday, July 1st New Creation Retreat Instructions

- If possible, start Retreat by 3pm or earlier.
- Watch Welcome video.
- Watch “Heaven is in My Heart” by the Bellwether Lambs.
- Watch the “Spirit of the Living God” by the Bellwether Lambs.
- Watch the Introduction to the New Creation Retreat video.
- Read *Journaling Handout*, if needed. You can print for reference during retreat.
- Say the prayer listed for this Session of Retreat.
- Listen to the opening song, “My Heart, Your Home” by Christy Nockels.
- Read the first Scripture on the list (read slowly 2-3 times) and write down in your journal the part (s) that touched your heart.
- Journal with the Heavenly Father, Jesus, the Holy Spirit, or the Blessed Mother about what touched your heart from the Scripture. Ask one question at a time, then listen for the response in your heart and write down the response.
- If you would like to listen to a song in between the Scriptures, you can choose from the suggested song list provided or listen to the song (s) of your choice. Allow the Holy Spirit to minister to your heart as you listen to the song. Listen to the song as many times as the Holy Spirit leads you. You can also write down what touched your heart in the song and ask the Heavenly Father, Jesus, the Holy Spirit, or the Blessed Mother in your journal what They want to say to you about it.
- Take your time praying through the Scriptures and songs. It is ok if you do not have time to pray through each Scripture or listen to all of the songs. You can always pray through the remaining Scriptures and songs when time permits, and even after the Retreat. It is most important to stay where the Holy Spirit has you instead of hurrying to try to finish everything.
- Leave at least 35-45 minutes in your Retreat Session to listen to the Meditation and the Mediation song. Then, journal the questions provided after the Meditation song. Allow the Holy Spirit to minister to your heart.
- Every 1-1 ½ hours, allow yourself a short break (approximately 5-15 minutes) to have a snack, drink, take a quick walk, etc.
- In between the Morning and Afternoon Sessions each day, be sure to have a meal and get the needed rest to become refreshed for the next Session of the Retreat.
