Prophetic word from Our Lady to Fr. Gobbi

"Jesus is now forming this Church of His
by means of the powerful action of the Holy Spirit
in the garden of my Immaculate Heart,
the Heart of your Heavenly Mother.
It is the new Church of Light,
the Glorified Church
which has a splendor greater than
a thousand suns put together.
It is being formed in the hearts of the simple,
of the little, of the pure, of the poor,
of those who know how to receive and follow Jesus
with perfect docility,
without any compromise with the spirit of the world.
He is building it in silence, in contemplation,
in hiddenness, in prayer, and in simplicity."
